## Meet your providers

### Chandra Petro, NP, Nurse Practitioner

Chandra previously worked as a nurse for 18 years, mostly in the ER, before becoming a family nurse practitioner. Since her certification, she has worked in pain management, family practice, ER, and urgent care. She recently moved from Anderson back to the Fort Wayne area in 2020. Chandra is excited about the opportunity to practice healthcare that is truly patient-focused. She enjoys helping her patients understand their health and succeed in living a healthy lifestyle.

### Marlona Harting, DO, Physician

Dr. Harting has been practicing medicine in Fort Wayne for more than 20 years, providing full-spectrum care for newborn, pediatric, women, adult, and geriatric health. She enjoys having extended visits with her patients and helping each of them achieve their personal health goals. Outside of work, Dr. Harting enjoys playing pickleball and Mahjongg. She also likes learning about different cultures, trying new recipes, and getting together with friends and family.

### Lauren Stoffel, DO, Physician

Caring for patients from newborn to geriatrics, Dr. Stoffel believes it is important to treat the whole person and not just a symptom. In doing so, she builds relationships with her patients and their families to better understand how she can help them achieve their goals and improve their lives. In her free time, Dr. Stoffel enjoys traveling, cooking, fishing when the fish are biting, and spending time with her husband and two young children.
