Brothers and Sisters,

As you all know, we are in a period of challenge and change, and like all organizations, Plumbers & Steamfitters Local Union 166 is taking this seriously. So as the situation evolves, so must we.

Here are some of the changes happening with the Local Union:

- The Local 166 Joint Apprenticeship Classes are cancelled until April 6.
- The Training Center will be closed, this includes open weld night.
- The Indiana State Apprenticeship Contest that was to be held at Local 166 March 24<sup>th</sup>-26<sup>th</sup> has been postponed
- The April Union Meeting has been cancelled
- The April 23<sup>rd</sup> Retiree's Breakfast has been postponed
- If you need to pay dues, we'd prefer that be done either by mail or over the phone via credit/debit card. All credit card processing charges will be waived until the end of April.

During this time, we will continue to monitor the situation and provide updates. The Union and Jatic Offices will remain open and if you have any questions or concerns, please call the hall or listen to after-hours information line.

Thank you, God Bless and please be safe.

Fraternally,

Kent L. Prosser,  
Business Manager
